

2006 CIRRUS SR22 G2 (N639C)
S/N 1860

**SPEC
SHEET**

Check out this well-equipped 2006 SR22 G2. Stand out on the ramp with a fresh exterior paint job completed in 2019 by Midwest Aircraft. N639C also has a new carbon fiber instrument panel installed and a useful load of an amazing 1109 pounds. This Cirrus is a little faster than many other G2 aircraft out there as it does not have the TKS Icing System installed. Complete log books available, so contact Lone Mountain for more information on this great Cirrus Aircraft.

Transition Training is included in the purchase of this aircraft through Cirrus Embark Program.

Low rates and flexible term financing is available, so call us today to learn more about this and any of our other Cirrus Aircraft available for sale!
